Math and Success Add Up, Multiply your success!
Study Math for a better Path, We have your number!
Math builds your brain. Do math, not meth!
Don't get mad, learn to add,
Be a wise girl or guy, Give math a try
It's no lie, I can multiply! There's strength in numbers
Every X has its Y
Solve Your Own Problems
Math is like a solving the puzzle

Best of Luck for 2nd Level
